% Crime Suspected	19%
% Crime Suspected – Not Child Abuse	16%
% No Crime Suspected	48%

Legend

Unopened: SCAR transmitted to a law enforcement agency by DCFS but no action noted in ESCARS

LEA Generated: SCAR generated by law enforcement but no action noted in ESCARS

Pending: SCAR categorized as under investigation by law enforcement

No Investigation: Upon initial review of SCAR, either the agency was unable to investigate or the allegation(s) did not rise to the level of an investigation.

Crime Suspected: Allegation(s) investigated by law enforcement, a crime was suspected and a crime report was written

Crime Suspected – Not Child Abuse: Allegation(s) investigated by law enforcement, a crime was suspected in the presence of a child and a crime report was written

No Crime Suspected: Allegation(s) investigated, no crime was suspected, whether or not a report was written

*: Denotes discrepancy between individual category and overall total. This is due to a SCAR(s) being rerouted, missing information, or a failed transmission.

Legend

Unopened: SCAR transmitted to a law enforcement agency by DCFS but no action noted in ESCARS

LEA Generated: SCAR generated by law enforcement but no action noted in ESCARS

Pending: SCAR categorized as under investigation by law enforcement

No Investigation: Upon initial review of SCAR, either the agency was unable to investigate or the allegation(s) did not rise to the level of an investigation.

Crime Suspected: Allegation(s) investigated by law enforcement, a crime was suspected and a crime report was written

Crime Suspected – Not Child Abuse: Allegation(s) investigated by law enforcement, a crime was suspected in the presence of a child and a crime report was written

No Crime Suspected: Allegation(s) investigated, no crime was suspected, whether or not a report was written

*: Denotes discrepancy between individual category and overall total. This is due to a SCAR(s) being rerouted, missing information, or a failed transmission
